

### LOS ANGELES MEDICAL LIBRARY.

Through the generosity of Dr. W. Jarvis Barlow of Los Angeles, the medical profession of Southern California has recently become the recipient of a twenty-five thousand dollar library building, which is now in the course of erection in Los Angeles.

The committee in charge of the library desire to obtain information as to the best mode of raising funds for the maintenance of the library, as well as of methods of cataloguing, management, and so on, and they request copies of reports and of specimens of card index cataloging forms, or any suggestions that would be of aid in the inauguration of this medical library work in Los Angeles. Any help or information would be greatly appreciated. Address, G. H. K., M. D., 506 Bryson Building, Los Angeles, Cal.

### DR. J. H. LOVE.

Dr. J. H. Love of Ventura died of cerebral apoplexy on Monday, July 23d, 1906, aged 58 years. Dr. Love was born in Ohio, and had practiced in that State from 1870 to 1890, in which latter year he came to Ventura, California, where he had been in continuous practice up to the time of his death. He was a former president of the Ventura County Medical Society, and a member in good standing at the time of his death. His colleagues in the Ventura County Medical Society held him in high esteem, and his genial presence will be missed hereafter. He was county physician for several terms and physician to the county hospital.

Dr. Love had always taken a strong interest in civic affairs, and at his funeral the public buildings were draped with flags at half-mast in his honor. The officers and members of the Ventura County Medical Society attended the funeral services in a body, acting as pall-bearers to their deceased colleague.

Dr. Love had been a member of the masonic order, and the members of his lodge exemplified the impressive ritual of the order. A widow and three grown sons are left to mourn the loss of husband and father, to whom the sympathy of the Ventura County Medical Society is hereby extended.

In the death of Dr. Love, the medical profession has lost a valued member, and the public in general a worthy citizen.

### NOT MEMBERS OF THE PROPRIETARY ASSOCIATION.

The Cystogan Chemical Company has requested us to state that it has not held membership in the Proprietary Association of America since the spirit of antagonism arose between this association and the American Medical Association.

### A PLEASANT MESSAGE FROM NEVADA.

The secretary has received from the committee of the Nevada State Medical Association the following resolutions, which extend to us that appreciation which it is always a pleasure to record:

"Whereas, a great calamity has fallen upon the city of San Francisco; many of the people having not only been driven from their homes but have lost everything, and are compelled to begin life over again, among the chief sufferers being the members of our beloved profession;

"Resolved, that we extend to them our sympathy and tender to them our encouragement and assistance;

"Resolved, that it is with a feeling of pride and satisfaction that we view the splendid courage, heroism and self-sacrifice displayed by the members

of the profession in ministering to the needs of the injured and sick;

"Resolved, that a copy of these resolutions be sent to the secretary of the Medical Society of the State of California, to be read at their next convention, and that they also be spread on the minutes of this association.

"G. H. THOMA,
